

This Woman suffered a vicious assault.

Senator
John McCain
voted **against**
the **Violence Against**
Women Act.

What's wrong with Senator John McCain?

Incredibly, Senator
John McCain voted AGAINST
the **Violence Against Women Act.**

How can anyone VOTE AGAINST the Violence Against Women Act? Somehow, John McCain thinks it's ok to say "No" to protecting Ohio women and children. He voted against the law in 1994, and has continued to vote against it every time it has been renewed. Senator John McCain even supports the position that women who are the victims of sexual assault should pay for the rape evidence kits and medical exams needed to collect evidence in their cases.

Doesn't John McCain understand these victims have suffered enough?

Women deserve better.
