What's Wrong With Senator John McCain?

Senator John McCain Doesn't Do What's Best to Protect Women

How can anyone **VOTE AGAINST** the **Violence Against Women Act**, a bill committed to protecting Ohio women and children victimized by domestic violence and sexual assault? Somehow John McCain thinks it's OK to say "NO" to protecting women and children. He voted against the law in 1994, and has continued to vote against it every time it has been renewed.

And John McCain Doesn't Support Women Earning Equal Pay

John McCain skipped the vote on the Lilly Ledbetter Fair Pay Act, a bill in Congress that would have helped protect Ohio women from being discriminated against by ensuring they receive the same pay as men for doing the same work. Incredibly, McCain said that instead of legislation giving them the right to equal pay, what women really needed was more "education and training." (*Chicago Tribune*, 5/12/08)
